

October 2020

The following is from Kevin Edwards, an attorney for HVW:

Last week, Governor Ron DeSantis issued the Phase 3 Reopen Order which is designed to stimulate the economy and permit businesses to fully open.

However, this Order does NOT rescind Florida's State of Emergency which currently continues until Nov. 3. Thus, the Clubhouse will remain closed until the Board has had a chance to discuss safety protocols at the Oct. 17th meeting.

The Phase 3 Reopen Order does not require boards in private residential communities such as ours to rescind or relax any existing COVID-19 protocols such as wearing masks and social distancing.

For all you snowbirds who are just arriving to HVW, please self-quarantine yourselves for a period of 14 days.

Life safety remains a top priority for all of us.
