

November Villager

2020

A reminder that the State of Emergency is in effect till Jan. 3, 2021. All indications point that it will be extended. As of now the Social Committee has temporary plans for a January Party but it may be canceled due to the virus. ALL Social functions are canceled until the State and CDC rescind their State of Emergency orders.

All Committee meetings are on hold till further notice.

Library is open. Go thru the back side door. Please use your sanitary wipes.

Pool is open. Please sign in and out. Maintain social distancing. Please no more that 8 people at a time. Thank you!

Need something to do?

Landscaping will be cleaning berm on Friday the 20th, 9:00-11. Following Monday the 23rd in case of rain. Meet at the berm. Volunteers may choose any area that separates you from another volunteer. The goal is only to pick up dead fronds, place them at edge where landscape timbers are. It's a job where social distancing will be easy to maintain. Sharon and I will help and pick up all piles after. Thanks! - Robin
