The pool will be closed for repairs and re-surfacing in early May. This project will take approximately 3-4 weeks.

The Social Club Committee met to discuss future social activities for the remainder of the year. As a committee we decided that everything had to be canceled due to COVID concerns. The anxiety and fear that's prevalent in our community was something we could not ignore.

In October we will discuss next year's parties and hopefully move forward with our social events. In the event the State lifts its Emergency Orders, the Social Committee will meet on March 23 at 4 p.m.
